January 16, 2020

Dear Sir/Madam,

The Northern Band Boosters are once again sponsoring a "Family Night Bingo" on Saturday, March 7, 2020. The Band Booster's sole purpose is to support Northern High School's band programs, its students and its director. Through various events such as "Family Night Bingo", we provide three annual college scholarships, purchase needed instruments for all band groups, support the Marching Patriots, and supply funds for other school year band needs. In 2011, we were proud to help purchase 70 new marching band uniforms for the Marching Patriots and in 2012 we purchased several new saxophones for band student use. Additional purchases from 2013 and 2014 have included new percussion equipment, additional low voiced saxophones and other urgent musical needs not covered by the Calvert County School Board.

We are writing to your organization in hopes that you can assist us in making our 12th Annual Family Night Bingo a success. The Boosters sponsor twenty-five themed baskets for this event. **As a community-based business, we are hoping you could provide a donation of a product(s) or a gift certificate(s) to help us fill a basket or donate a complete basket filled with products from your business.** Each supporting business will be verbally recognized during the prize basket announcements. In addition, we will provide each bingo attendee with a listing of supporting businesses and a brief description of their services. Our past Family Night Bingos have been very well attended and successful.

We believe that the music programs offered at Northern High school provide an enriching experience for our students. It teaches them not only to excel in their musical pursuits, but in other areas of life as well. Your donation and commitment will demonstrate to our students and their families that they have community support in their efforts. In addition, your donation may be tax deductible since we are a 501(c)3 organization.

The Northern Band Boosters hope you can support us with a donation. If you have any questions, please feel free to contact us. Thank you for your time, consideration and support of our talented student musicians.

Sincerely,

Northern Band Boosters
